

Design for Today ... Prepare for Tomorrow

Does your store need a new room... a manager office, consultation room, shipping and receiving station, secure cash room, complete pharmacy center, temporary space, reception area, or a work/mail station? Insist on a room that meets or exceeds your specifications cost-effectively and efficiently. A room that is expandable and portable.

A room that enhances your company's function and style!

ADAPTABILITY ~ MAXIMUM FLEXIBILITY

- Assemble, modify, or expand your room quickly and easily
- Store personnel can easily adjust the interchangeable under-counter fixtures and all accessories
- Place merchandise virtually anywhere on the panel
- Retail product facings are increased by a minimum of 17% and in some cases up to 50%!!
- For RX Applications: Uniweb panels in 48", 32" or 16" widths and our uniquely versatile 16" x 7" pharmacy tray
- Uniweb's can increase inventory capacity by 30% and offer project costs 15-20% less than conventional millwork.
- Installs in 2-3 days with virtually no interruption in store services and sales
- Design and installation services available

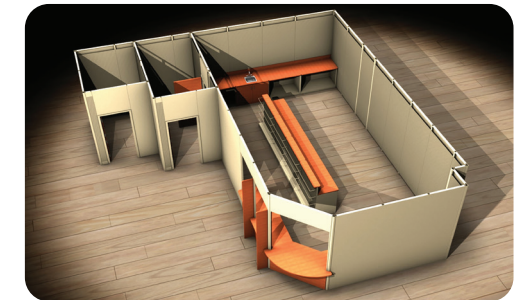

AESTHETICS - PREMIUM DESIGN

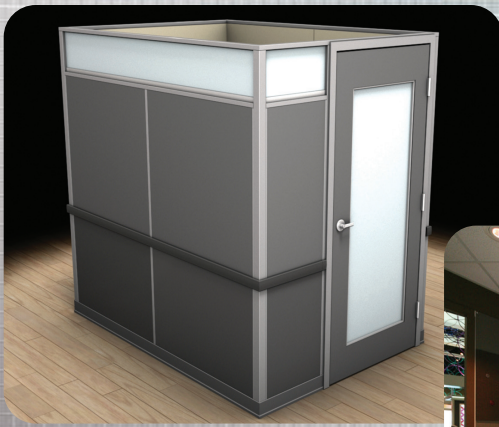

- Equipped for maximum utility and appearance
- Built to your size and configuration specifications to fit into your current layout... sizes are virtually unlimited!
- Meets any interior design requirements with premium décor and finishes.
- ADA Compliant
- Stock product or create work stations, inside and out!
- Adjustable height workstations
- Accessories... Infinite options!

THE ULTIMATE SOLUTION

- UL Listed pre-engineered and factory built
- Electrical outlets per your specification; regular, utility, ISO, clean, dedicated
- Blank data and communication boxes allow for easy IT and communication runs.
- Rooms and equipment easily tie in to existing power and plumbing sources
- Optional floor, ceiling, drop-off, pick-up, consultation counters, under-counter shelving, sinks, refrigerators, security shutters, and workflow accessories
- Faster and higher Return on Investment (ROI)...Add to this the tax advantage of depreciating the complete project as a "fixture" - accelerates return of investment.
